Lindengate Trustee Update

Lindengate is a very special charity and as our reputation continues to grow and we are reaching ever-increasing numbers of people, the future looks bright. In the last few months alone, we've welcomed more than 1500 visitors to our free Rest and Reflect drop-in sessions and continue to develop our service offering.

As we embrace the start of 2021 and look forward to all that the year ahead may hold, we wanted to share some important news with you about Lindengate.

After over 8 years Phil Chattle has decided to step down as Chair of Trustees, effective 31 January 2021. Phil has been involved with Lindengate since its very inception and has been highly instrumental in helping to create and shape the charity that we know today.

Phil will be replaced by Paul Miles. Paul has been a member of the Lindengate Trustee board for the last 4 years and takes up his new role with effect from 1 February 2021. Paul brings with him a great deal of business experience where he specialises in helping firms within the financial services sector to reposition themselves for growth and review technology in order to improve efficiency and therefore profitability. He also advises a number of businesses at board level and is often asked to speak at industry conferences.

Two other members of the Trustee board are also stepping down at the end of January – David Medcalf and Derek Morgan and we would like to extend huge thanks to David, Derek and of course, Phil, for their time, effort and considerable contribution.

As part of these changes, we are looking to increase our expertise within the Trustee board and would like to hear from anyone who has any of the following skills:

- Finance
- Mental health
- Governance and risk management
- Fundraising
- Digital
- Horticulture

Please contact Paul Miles at paul.miles@lindengate.org.uk or on 07787 516660 in the first instance.
